We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please watch all the Twitter video lessons if you are learning from home. If you can't watch them live, you can catch up with them later in the day. Here is a brief summary of the topics we will be covering in the coming weeks learning.

This week we will see you again every day on twitter. In Writing we will be comparing Jim and the Beanstalk and Jack and the Beanstalk.

For Maths we will be measuring weight and capacity and moving on to order weights from heaviest to lightest.

In Science continuing our topic of animals we will be learning about keeping our mouth healthy and baby animals.

As well in the afternoons, we will continue to learn about the Great Fire of London in History and in DT we will be creating our own building using different 2D shapes. We will also have a weekly PE lesson and will also be doing some ICT too.

Remember to tune in to the lessons with your teacher everyday on twitter to help your children learn.

I hope you find this information useful, and we are all looking forward to seeing what you have done when you return to school.

Yours sincerely,

The Year 2 Team
