10 February 2021

Dear Parents/Carers;

Learning this week in Year 2!

Every week on a Friday we will continue to send out a letter telling you what's ahead for your child. Please continue to check the PARENTMAIL APP to stay up to date news and information.

@RebeccaolleyTVI for Koalas

Each week we will be having an extra special circle time lesson on zoom with all the children in class. Keep an eye on parentmail for the details and we can't wait to see you. This will be Thursday afternoon at 1:30 for all classes in Year 2.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please watch all the Twitter video lessons if you are learning from home. If you can't watch them live, you can catch up with them later in the day. Here is a brief summary of the topics we will be covering in the coming weeks learning.

In Writing this term we will be learning all about poetry and having a go at describing animals using alliteration.

For Maths we will be practising addition and subtraction and then moving onto solving fractions.

In Science we will be learning about living and non-living things and explaining how we know something is alive.

As well as this, in the afternoons, we will be looking at the Hundertwasserhaus and thinking about the patterns we can see. Don't forget we will be getting active in PE each week too.

Remember to tune in to the lessons with your teacher everyday on twitter to help your children learn.

I hope you find this information useful, and we are all looking forward to seeing what you have done when you return to school.

Yours sincerely,

The Year 2 team
