It is World Book Day this week and on Thursday (our last day of online learning before returning to school) we will be having some special zoom lessons all about reading so stay tuned to parentmail for the details.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please watch all the Twitter video lessons if you are learning from home. If you can't watch them live, you can catch up with them later in the day. Here is a brief summary of the topics we will be covering in the coming weeks learning.

In Writing this week we will be describing characters and then writing a story.

For Maths we will be learning all about shapes and patterns/.

In Science we will be continuing our new topic and finding out all about different habitats.

As well as this, in the afternoons, we will be looking at hinges in DT and learning about Samuel Pepys in History. Don't forget we will be getting active in PE this week too.

Remember to tune in to the lessons with your teacher everyday on twitter to help your children learn.

I hope you find this information useful, and we are all looking forward to seeing what you have done when you return to school.

Yours sincerely,

The Year 2 Team
