11 March 2021

Dear Parents/Carers;

Nursery Learning

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult.

This week the children will be looking at the story 'Blue Balloon'. Also this week we will be making crown wraps, where we will be making patterns and making healthy choices.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please remember:

- To wear a face mask at all times when on the school premises, keeping yourselves and others safe, thank you.

Jewellery wanted

We will be pretending to play in the jewellery shop. We would be grateful for any necklaces, bangles, jewellery boxes, watches, hats or headbands.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Look around your home and surrounding environment together with your child. Talk with your child about the patterns, your child can also draw what they see.

Don't forget to tweet a picture or a video and tag us too! ☺
@TVInfants, @ClaireTVI, @AdamDobsonTVI

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Iram Ditta
Nursery Teacher

Nursery Timetable WB: 15th March	Monday	Tuesday	Wednesday	Thursday	Friday
8:45 - 9:00 12:30-12:45	Welcome and settling period. Children find their name brick to complete their self registration, then choose an activity.				
9:00 - 9:20 12:45-1:05	Reading familiar animal stories and exploring different fruits.				
	I will listen to the story 'The blue balloon'.	I can remember what happened in 'The blue balloon'	I can copy the actions.	I can remember what item is missing.	I can play pass the bag around the ring and name the items.
9:20 - 11:15 1:05-3:00 including freeflow	Free Flow Activities				
	We will be pretending to play in the jewellery shop. We will be learning how to play with our friends and share our toys.				
	Children are developing their fine motor skills with a range of mark making and construction activities. They can use paint to print patterns and shapes.				
	Personal Social Emotional Development: We are encouraging children to be more independent and confident.				
	Directed Activities:				
	We will be making our fairytale puppets	We will be making our flower pictures	I can look at different letters and mark make	We will be making a spring walk collage	We will be cooking healthy wraps
	Outside:				
	Children are developing gross motor (big muscle) skills. They are building with construction materials, and climbing on the climbing frame.				
11:15-11:45 3:00-3:30	Snack time:				
	During snack time children are encouraged to choose, eat, and drink their snack independently. They are encouraged to show good manners, saying please and thank you.				
	We will read some of our favourite stories. Children will learn counting songs such as 'five currant buns' and are encouraged to join in with singing and actions.				
Home time	You can talk to your child about the activities and perhaps get them to show you. Read stories with your children and encourage them to talk about what they can see in the pictures.
