11 March 2021

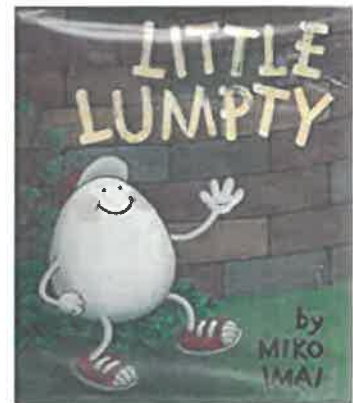

Dear Parents/Carers;

This week we will be writing about 'Little Lumpty' and retelling the story using adjectives, connectives and by words.

In Maths we will be learning about inverse operations and what this means. We will also be practising telling the time to quarter past and half past.

We will be continuing our new topic in Science and learning about animals in different habitats.

## • Foundation subjects:

- ★ ICT – we will be learning all about the new system on our school PC's
- ★ Geography – After learning about the island of Struay we will be learning about Hawaii and how this island is different

**Don't forget for the time being Year 2 are finishing on a Wednesday afternoon at 12:50pm so teachers can plan for the following week.**

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please remember:

- ✓ Check ParentMail regularly as well as Twitter to stay updated with all key messages @TVInfants #HeadteachersUpdate
- ✓ All children should be in full school uniform
- ✓ No hooped earrings (we recommend no studs either)
- ✓ Yellow school book bags everyday
- ✓ At home time, we kindly ask that parents stand back and give the children and their teachers plenty of room to exit the building. Overcrowding in the playground can make it difficult for teachers to hand the children over to their parents safely at the end of the day.

Please, please, please...Even if you are running late to school, remember to come in through the 'entrance' gate and go out through the 'exit' gate.

**PLEASE REMEMBER**

- ✓ To wear a face covering at all times when you are either dropping your child off or collecting them from school
- ✓ To keep a safe distance from each other
- ✓ Please do not clump together in groups of more than 6
- ✓ Please do not linger around school after picking up your child.

**STOP  
THE  
SPREAD**

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Yours sincerely,

The Year 2 team

### Family Learning Together

- Why not have a family competition?
- Decide on an activity, it could be picking items up of the floor, counting cheerios or even finding items around the house.
- Time yourselves and see who can do it the quickest. Let children read the time it takes.

Enjoy some family time together and don't forget to tweet a picture and tag us! ☺
