Dear Parents/Carers;

## Nursery Learning

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult.

This week the children will continue to looking at the story 'Lullabyhullabaloo'. Also this week we will be cooking princess fairy cakes, where children will participate in measuring the ingredients.

Je

We will be pretending to play in the jewellery shop. We would be grateful for any necklaces, bangles, jewellery boxes, watches, hats or headbands.

INVESTOR IN PEOPLE

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

### Family Learning Together

On a clear night see what you can see in the night sky. Count the stars, talk about the shape of the moon, and see what else is there

Don't forget to tweet a picture or a video and tag us too! 😊
