We Tube @TVInfants

04 March 2021

Dear Parents/Carers;

This week we will be writing about 'The tiger who came to tea'. We will be re-writing the story and explaining the tiger's actions too.

In Maths we will be learning how to add and subtract two 2-digit numbers. We will also be learning about inverse operations and what this means.

We will be continuing our new topic in Science and describing the features of different habitats.

• Foundation subjects:

- ★ ICT – we will be learning all about the new system on our school PC's
- ★ History – we will be learning about how cities are safer from fires today than in 1666
- ★ Art – we will be creating our own Hundertwasser tile as a class

Don't forget for the time being Year 2 are finishing on a Wednesday afternoon at 12:50pm so teachers can plan for the following week.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please remember:

- ✓ Check ParentMail regularly as well as Twitter to stay updated with all key messages @TVInfants #HeadteachersUpdate
- ✓ All children should be in full school uniform
- ✓ No hooped earrings (we recommend no studs either)
- ✓ Yellow school book bags everyday
- ✓ At home time, we kindly ask that parents stand back and give the children and their teachers plenty of room to exit the building. Overcrowding in the playground can make it difficult for teachers to hand the children over to their parents safely at the end of the day.

Please, please, please...Even if you are running late to school, remember to come in through the 'entrance' gate and go out through the 'exit' gate.

PLEASE REMEMBER

- ✓ To wear a face covering at all times when you are either dropping your child off or collecting them from school
- ✓ To keep a safe distance from each other
- ✓ Please do not clump together in groups of more than 6
- ✓ Please do not linger around school after picking up your child.

**STOP
THE
SPREAD**

Yours sincerely,
The Year 2 team

Family Learning Together

Get creative together and spend some time making one of the following things:

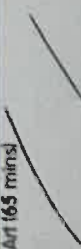

- Bake a cake
- Design and make your own habitat
- Make a den
- Paint a picture

Enjoy some family time together and don't forget to tweet a picture and tag us! 😊
