01 April 2021

Dear Parents/Carers;

This week we will be reading and writing about the story "Where the Wild Things are" and writing a postcard as if we visited the island.

In Maths we will be focusing on 3 digit numbers and adding and subtracting 2 digit numbers.

For Science we will be learning about plants this term and what they need to survive.

## WHERE THE WILD THINGS ARE

STORY AND PICTURES BY MAURICE SENDAK

## In the afternoons:

- In Geography we will be learning about India and what it would be like to visit there.
- In History we will be learning about Florence Nightingale this term, starting this week learning about famous people.
- In DT we will be designing our own vehicles.

Please help us by reading with your child every night.

Don't forget homework including yellow books comes home on a Monday and is brought back to school on a Friday. Please keep writing in your child's reading records too.

Don't forget this term the weather will start to get brighter and warmer so make sure children are coming to school in a t-shirt and not too many layers. Encourage them to take ownership of how they feel and how they can help themselves if they get too hot.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please remember:

- ✓ Check ParentMail regularly as well as Twitter to stay updated with all key messages @TVInfants #HeadteachersUpdate
- ✓ All children should be in full school uniform
- ✓ No hooped earrings (we recommend no studs either)
- ✓ Yellow school book bags everyday
- ✓ At home time, we kindly ask that parents stand back and give the children and their teachers plenty of room to exit the building. Overcrowding in the playground can make it difficult for teachers to hand the children over to their parents safely at the end of the day.

Please, please, please...Even if you are running late to school, remember to come in through the 'entrance' gate and go out through the 'exit' gate.

**PLEASE REMEMBER**

- ✓ To wear a face covering at all times when you are either dropping your child off or collecting them from school
- ✓ To keep a safe distance from each other
- ✓ Please do not clump together in groups of more than 6
- ✓ Please do not linger around school after picking up your child.

**STOP  
THE  
SPREAD**

Yours sincerely,

The Year 2 team

### Family Learning Together

- Why not do a nature hunt, try and find some new flowers/plants and explore their names and what they need to survive. You could draw some pictures of these new flowers too

Enjoy some family time together and don't forget to tweet a picture and tag us! ☺
