18 June 2021

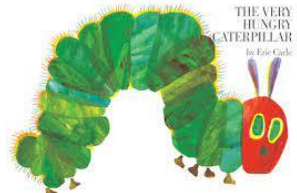

Dear Parents/Carers;

## Nursery News!

Here is our weekly newsletter. There are lots of things happening so have a good read and see what we are up to.

We are continuing to look at our 'Mini - Beasts'. We will be keeping an eye out on the Caterpillars that have arrived in school and will be discussing the changes that we can see. You can go out for a walk or in the garden and look for mini beasts, what mini beasts can you find?

World of Books is a great website for good quality used books  
<https://www.worldofbooks.com>

## Continue helping us learn and grow!

- **Come to Nursery every single day and be on time.** Children have already had lots of time off because of the pandemic.
- **Keep them cool.** It is warm now so please remember children only need a school top and leggings/joggers and no additional layers, it's very hot in Nursery already.
- **Solving problems** – We are working very hard in trying to sort our problems. We are using our voices and explaining what is wrong. Please mummies/daddies continue to model this at home.
- **We are fewer grumpy faces when things don't go their way too.** Having boundaries and understanding consequences and disappointment is all part of growing up. Help your child to understand how to try their best, be kind and understand that no means no.
- Children are also starting to use words to say "I'm sad", "I'm cross", "I don't like that". Help them to do that at home too.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

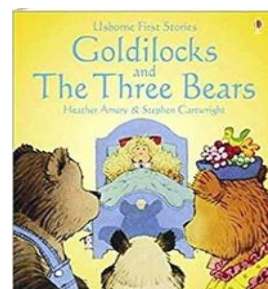

### Please remember:

- ✓ Any worries, please do let us know.
- ✓ Children will get muddy and dirty in school, we do our best to keep them clean, but we can't always.
- ✓ We are playing with sand and water – please be aware children will get wet and sandy. We will change wet children but remember, being wet will not give them an infection or the cold/flu virus.
- ✓ Children shouldn't be wearing any jewellery to school, please
- ✓ Water bottles need to be in every day, especially as it's beginning to get warm – please remember it's **ONLY** water.
- ✓ Sports Day will be happening soon, so please keep an eye out on your ParentMail for more information.

### Family Learning Together

Read some stories with your children, talk about the pictures and and ask simple questions. Some stories to read: Brown Bear, We're going on a Bear Hunt, Dear Zoo

@IramTVI @TVInfants, @ClaireTVI, @AdamDobsonTVI

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Iram Ditta  
**Nursery Teacher**

Nursery Timetable WB: 21st June 2021	Monday	Tuesday	Wednesday	Thursday	Friday
AM: 8:25 - 8:40 PM: 12:10-12:25	<i>I can ask for help when I need it, I can try to do things by myself. I can say how I am feeling. I can read and write my name correctly with a capital and lower-case letters. I can name lots of colours and I can count and say how many objects there are up to 10.</i>				
AM: 8:40 - 9:00 PM: 12:25-12:45	Reading familiar stories and exploring vehicles and how they move.				
	I can join in with playing a butterfly puzzle game.	I can make a caterpillar with a repeating pattern.	I can work with partner to make a caterpillar.	I can join in with playing a cocoon game.	We will be exploring a tree in different seasons.
AM: 9:00 – 10:55 PM: 12:45-2:40 including free flow	Free Flow Activities				
	We will be pretending to work in a garden centre as part of our new topic mini beasts. If you have any items that you think can help us, please donate them. Plants, flower pots etc Thank you.				
	We are digging in the garden, we are learning about looking after plants. What they need to grow and how they grow.				
	We are using sand and water to learn about more/less, full/empty, big/small, tall, short. We are learning to explain what we are doing and what we are going to do.				
	Directed Activities:				
	We will be observing the live caterpillars.	We will be making prints on butterfly.	We will practicing sports day game of our choice.	We will be making caterpillar shape drawings	We will be using different paints/ materials to make spider webs.
	Outside:				
	We have a range of activities outside that encourage children to explore and recreate the world around them. Train sets, blocks and building sets, farms, roads, aeroplanes and other equipment for them to explore. We are playing lots of active games with bean bags, hoops, balls. We are completing obstacle courses too and running, climbing and balancing.				
AM: 10:55- 11:25 PM: 2:40-3:10	Snack time:				
	During snack time children are encouraged to choose, eat, and drink their snack independently having asked for what they want.				
Home time AM: 11:25 PM: 3:10	We also use this time to introduce a new ICT game. This week we are revisiting the games from last week and learning new ones like 2simple city, CBeebies games such as Jo Jo and Gran Gran, Peter Rabbit, Bing and Postman Pat shape sorting game.				
	You can talk to your child about the activities and perhaps get them to show you. Read stories with your children and encourage them to talk about what they can see in the pictures.
