## LEARNING IN YEAR1

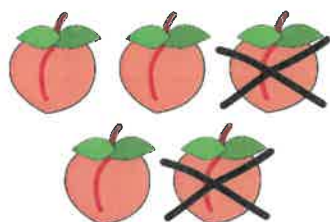

This week in writing, we will be reading the book Who's in the shed? The children will be re-writing the story.

In Reading Spelling Workshop we will continue to learn our Phase 5 sounds.

The children will be learning about alternative pronunciations of 'er' & 'ch'

In Maths, the focus will be on subtraction and multiplication.

The children will be learning all about how humans are similar and also different.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

## Yellow Book & Reading

Don't forget about the Yellow books! As we get closer to the Summer break and Year 2 it is vital you keep up the work. Practise reading the tricky and high frequency words at the back.

## Keeping Everyone Safe

Here some things to be aware of:

- School will re-open with all of the same safety measures that we had in place during the Autumn Term
- Attendance at School will be compulsory.
- If you child has Covid-19 symptoms and has to self-isolate at home, you must get them tested. They can return to school after you have provided confirmation of a negative result to the office.
- The School Day will continue to operate with staggered opening times.
  - Year 1 start – 8.35am
  - Year 1 finish – 2.55pm
- You, as Parents/Carers, must continue to wearing appropriate face-coverings when on site (or risk being excluding from the School Grounds, if you fail to comply without good reason).
- ~~On Wednesdays, at present, children will go home after have lunch @12.35pm~~

I hope this has been helpful

Yours sincerely,
