Year 2

Dear Parents/Carers;

- This week we will be writing said sentences and retelling the story of what the ladybird heard.
- In Maths we will be learning about clockwise and anti-clockwise turns then ordering larger numbers.
- In Science we will be exploring which materials allow electricity to flow,

In the afternoons:

- PE – In Games we will be practising aiming for our friend to hit a ball.
- Geography – We will be finding out about life in Africa
- History – We will be comparing Mary Seacole and Florence Nightingale

Don't forget:

- Sports day and picnic – 15th July
Check parent mail for more details

Please help us by reading with your child every night. We are focussing on *fluency* in children's reading in order to help them progress even further. Once a child becomes fluent in reading it allows them more time to understand what they are reading and they can access higher level books.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits

Please remember:

- ✓ Check ParentMail regularly as well as Twitter to stay updated with all key messages @TVInfants #HeadteachersUpdate
- ✓ All children should be in full school uniform
- ✓ No hooped earrings (we recommend no studs either)
- ✓ Yellow school book bags everyday
- ✓ At home time, we kindly ask that parents stand back and give the children and their teachers plenty of room to exit the building. Overcrowding in the playground can make it difficult for teachers to hand the children over to their parents safely at the end of the day.

Please, please, please...Even if you are running late to school, remember to come in through the 'entrance' gate and go out through the 'exit' gate.

PLEASE REMEMBER

- ✓ To wear a face covering at all times when you are either dropping your child off or collecting them from school
- ✓ To keep a safe distance from each other
- ✓ Please do not clump together in groups of more than 6
- ✓ Please do not linger around school after picking up your child.

Family Learning Together

- Why not explore a different country? Choose a country your child is interested in and find out where it is in the world, how you would get there and what it looks like. It could even be exploring the United Kingdom.

Enjoy some family time together and don't forget to tweet a picture and tag us! ☺
