Dear Parents/Carers,

Cooking Together

I am excited to let you know that we are soon going to be hosting cooking mornings for all of our classes. Each class will have their own morning and it will be a lovely opportunity for you to come into school and help the children in your child's class cook-up some delicious treats. There will even be an opportunity to stay on and taste the children's cooking afterwards!

You and your family are welcome to come in and join us on these special mornings. They promise to be great days and we would love if you could come and experience them with us.

I've included below a timetable which will show you when each class are hosting their 'Cooking Together' morning so that you can reserve the date in your diary now!

Please note that all ingredients used on these mornings are provided by school *free of charge*.

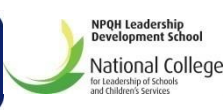

Please remember that, due to Covid, we have a few rules for parents / carers coming into school at the moment. These rules are summarised below:

- You can only come into school via the school office and you must sign in.
- Before you come into school you **MUST** scan the QR code at the front desk into your NHS App – this is compulsory and you are not allowed to let you into school without this being done.
- You will need to wear a mask whilst inside our school building.

I look forward to seeing you all there!

Yours sincerely,

Paul Jordan, Headteacher

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.
