Dear Parents/Carers;

Reception Learning Week!

Every week on a Friday we send out a letter telling you what's ahead for your child. Please continue to check the PARENTMAIL APP to stay up to date news and information.

Helping Your Child to Read – Meeting on 18th November

After half term there will be a meeting for reception parents and carers to learn more about how we teach reading at school, and how you can help your child at home. There will be more information soon via a ParentMail letter.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

Please remember:

- Avoid dressing your child in too many layers – school is very warm, we can help them dress warmly for outside. All children need is:
 - School t-shirt, trousers/skirt
 - School jumper (to wear outside)
 - Warm coat (to wear outside)
 - Slippers (for inside)
 - Shoes/welly boots (for outside)
- Parent-Teacher meeting on Zoom
 - Thursday 25th Oct 3:30pm-5:30pm
 - Friday 26th Oct 8:30am-5:30pm

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Each week I will share a selection of my favourite Reception themed Tweets in the light blue box below. If you already use Twitter, or haven't yet joined, it's a great way to keep up to date with what's going on in Reception and the school as a whole. We'd also love to hear about the fun you have at home together.

Twitter highlights from this week's learning

Here are some pictures from this past week in Reception

If you want to see more of what is happening in Reception, sign up to Twitter and follow: @AdamDobsonTVI, @TVInfants, and @ClaireTVI

Please have a little look at the blue box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Before the weather turns cold - go to the park and play a game. Try throwing and catching, hide-and-seek, or explore the climbing frame together.

Don't forget to tweet a picture and tag us too! ☺

We hope you'll find this information helpful.

Yours sincerely,
