10 February 2022

Dear Parents/Carers;

## After half-term

Every Friday I will write a letter telling you what's ahead for your child. Make sure you check our PARENTMAIL APP to keep up to date with the latest information.

School reopens after half-term on Monday 21<sup>st</sup> February. On our return children will be listening to traditional stories such as the Three Little Pigs. We will be cooking porridge and choose what to put on top.

At home please carry on encouraging children to be independent by doing things, such as putting on their own coat and feeding themselves. As always it is essential that you bring your child to school every day. We cannot authorise prolonged absences from school in term time.

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey. And of course, keep an eye on Twitter so you can see what we're up to!

### Please remember:

- ✓ No layers – weather will be getting a little bit warmer.
- ✓ Please remember school uniform must be worn every day
- ✓ **'Teeth for Life'** please give consent through parent mail if you would like your child to participate. We'll be starting this soon.
- ✓ Learning together in Nursery – Thursday 24<sup>th</sup> February

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

We will be making some models with recycled materials after the break. We would appreciate some:

- Boxes
- Plastic
- Packets
- Plastic bottles

Please have a little look at the **pink box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

### Family Learning Together

Go on an outing with your child. Encourage your child to talk about what they see and hear in their environment. Children enjoy exploring the world around them.

Don't forget to tweet a picture and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Adam Dobson
