## Friends of TVI

Here at TVI we pride ourselves on the close relationships that we have with all of our families. We like to think that we are at the very heart of the community. We believe that our children thrive the most when school and families work together as a team and we are always keen to listen to what you have to say and take any new ideas onboard. With this in mind, we are writing to let you know about an exciting new parent/carer group that we are setting up called 'Friends of TVI'.

Our Friends of TVI group will be made up of a selection of parent/carer representatives and the idea is that they will meet up and share ideas about new family activities, coffee mornings, bake sales, school fetes, charity events and much, much more.

We are looking for parents/carers who will have the time and dedication to commit themselves to this role and ideally we would like a representative from each class from Nursery up to Year 2.

We are therefore looking for a parent carer representative from each class in school from Nursery up to Year 2 who will have the time to come into school once a month and meet with Emma. Our meetings will always be during the school day and should never take longer than 60-90 minutes. If you think this might be you, please let your Class Teacher know and s/he will make a note of your name. If we have any classes where we have more than one volunteer, we will select that class representative by pulling names out of a hat. Please note that the deadline for submitting your name is on Friday 10<sup>th</sup> June. If you have been successful, we will let you know on that day and we will arrange our first meeting for the week after.

If you have any questions, please pop into the office to speak to Emma.

## Thames View Infants – Open Day for Parents on Monday 20<sup>th</sup> June

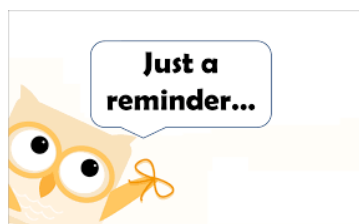

*What does learning look like at TVI in real terms?  
What does an Outstanding provision look like at first hand?  
How do the teachers teach and what do the children do?  
What does attainment look like in other classes and year groups?  
How much work/writing do children across the school really do?  
What work is taking place in Writing, Reading and Maths at TVI?*

I am excited to let you know that on Monday 20<sup>th</sup> June, between 8:50am-10:30, we will be holding an Open Day/Morning for all of our current Parents and Carers.

On the day, you will come into the school hall at 8:55am, having dropped off your child. Claire and I will give you a short explanation about the learning you'll expect to see, our signature pedagogy and some of the key characteristics of our provision. We'll convene at 10am for refreshments and a 'Question and Answer' session in small groups.

**Please note that there will be strictly no admission to the Open Day after 9am, so if you'd like to attend, please make sure that you are on time!**
