Dear Parents/Carers,

Welcome to Nursery!

Hello I'm Any Patap, I'm the Nursery Class Teacher and I help run the provision with Sam Radder.

We have completed our first week in Nursery and it has been lovely. The children are settling in beautifully and are getting used to their new routine. We wanted to make sure that you know what's going on in Nursery as children don't always tell you what they've learnt, what activities they've been doing, or even who they played with.

Every week on a Friday I will send out a letter telling you what's ahead for your child. Make sure you are signed up to our PARENTMAIL APP or you won't get it. So here it is...

Here's some information about what your child will be working on in class next week, including the lesson details for each day. Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult.

Our "free flow" sessions take place every day: each activity covers a range of the Early Years Areas of Development and include Literacy, Physical Development, Personal Social and Emotional Development, Communication and Language, Understanding the World and Expressive Arts and Design. We plan opportunities for children to explore independently, in small groups, with and without adults.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to!

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child

Please remember:
