Learning in Years 1 and 2 next week!

Dear Parents/Carers;

Teachers are busy getting to know their new classes. Please come and introduce yourself to them in the playground. Good communication is so important and helps us get to know you and your children even quicker still.

In October, you'll have the chance to formally meet with your child's class teacher at our **Parents' Meetings**. Dates for these will soon be available via the ParentMail App.

Reading Together

Please help your child to remember their yellow bookbag each day. Inside they should have a yellow homework book, a Reading Record, and a colour banded reading book.

We make sure to change children's book bands fairly regularly, and your child will know what colour they are reading. Everyone will change their book each morning, so you have a new story to read with them at home each night.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Swimming in Year 2

(Squirrels will be going Swimming in the Spring Term)

Monday: Snakes

Tuesday: Owls

Wednesday: Foxes

Please, bring your child to school wearing one of our polo shirts.

Please remember to put your child's name in their clothes.

In KS1, children receive homework once a week and extra copies are available on our website.

Children require shorts and plimsolls for PE and they should keep their PE kit in school every day.

Slippers for School

Has your child got a pair of slippers in school to wear in the classroom?

PE Kits

Thank you for sending PE Kits in to school.

Your child will need a pair of blue shorts, a white PE top and a pair of trainers or plimsolls. It's a good idea that they have a warm jumper and joggers to change into for outdoor activities, too.

Please support your child to get changed as independently as possible. We will teach them how to take care of their clothes and making sure everything is named will really help with this.

We are always hear to talk, to listen and to support your child and your family. Please come and see us straight away if you have a question or a problem and we will always do our very best to help.

Yours sincerely,

Rofiya Begum
Year 2 Leader

Family Learning

Play the classic game of **Simon Says**. This is an excellent game for making your child pay attention and listen to instructions. Call out instructions by saying, for example, "Simon Says put your hands on your shoulders". When you give an example that doesn't begin with "Simon Says", such as "Jump three times", your child must not do it.
