Dear Parents/Carers;

Nursery learning this week!

Hello, every week on a Friday I will send out a letter telling you what's ahead for your child. Make sure you are signed up to our PARENTMAIL APP or you won't get it. So here it is...

Here's some information about what your child will be working on in class next week, including the lesson details for each day. Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to!

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

- On Friday, 21st October, we celebrate Diwali in Nursery. Please come and join us.
- Monday, 24th October, Nursery is closed. It is beginning of Half-Term break.
- Nursery will reopen on Monday, 31st October.
- Remember to book your parents meeting over half term.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please remember:

- ✓ Names in jumpers, coats and shoes.
- ✓ Avoid dressing your child in too many layers – school is **very warm**.
- ✓ Bring a clean full set of clothes.
- ✓ Welly boots for cold and wet weather.
- ✓ No hooped earrings (we recommend no studs either).

Please have a little look at the **pink box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

You can help your child learn the counting songs *5 Currant Buns*, *5 Little Ducks*, *5 Little frogs*, *5 little men* as a fun part of your day. Singing in the cars or at home you are supporting children to memorise the words and have fun together.

Don't forget to tweet a picture and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Any Patap
