## PREMIER WRAPAROUND CARE AT THE THAMES VIEW INFANTS & JUNIORS

Dear Parents and Carers,

It is with great pleasure that we can announce that Premier Education will be providing wraparound care for Thames View Infants & Juniors, with a provision situated at the Infant School. This will start after October Half-Term, commencing on Monday 31st October. The care will be available after school until 6pm daily. You will be able to book sessions until 6pm, or earlier if that suits you. Children will receive a hot dinner, provided by same the team that cook lunchtime meals at Thames View Infants. Junior children will be collected and escorted to the Infant School, where you'll be able to collect them from at the end of the session.

This wraparound care will consist of sports activities, and others designed to complement the curriculum at TVI/TVJ. This may include arts & crafts, dance & drama, sports & games, quiet space for reading and general free play. The idea is to support wellness in the school community by providing activities that stimulate the mind, body, and soul.

**BOOKINGS ARE NOW LIVE!:**

**A full session (until 6pm) costs £12 per child, per day. Part-sessions cost £7**

As our start date approaches, we have been getting several enquiries regarding how to book, fees, spaces available and times etc. Please see details of booking links at the bottom of this letter.

Benefits of Premier Wraparound include no up-front membership fees or deposits, siblings discounts and no-questions-asked refunds when you take out our flexi booking option.

Parents will be asked to fill in a 'All about me' form for their child to help the team get to know them, what their favourite things are and if they have any dietary requirements. Generally, this helps us get to know the children quicker to help them settle in.

We have currently applied to register the setting with OFSTED, once this is complete we will be able to accept childcare vouchers.

**THE PREMIER TEAM:**

Our aim is to have a consistent team each day as this is important continuity for the children. Please refer to our flyer for additional information.

For our provision to be viable, we need at least 15 bookings each day, from families across both Schools. If you need this provision, now is the time to book; otherwise we may need to cancel the offer entirely.
