Dear Parents/Carers;

Nursery learning next week

Every week on a Friday we send out a letter telling you what's ahead for your child. Please continue to check the PARENTMAIL APP to stay up to date news and information Here's some information about what your child will be working on in class, including the lesson details for each day.

Here's some information about what your child will be working on in class next week. We will be continuing with our new topic 'Animal Adventures'. This week we will be learning all about bears, the different types of bears, where they live, and about different animals that share their environment. Children will take part in a range of carefully planned activities revolving around our new topic. We will be making a bear cave and our own bear food!

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to!
