Dear Parents/Carers;

## Nursery learning next week

Every week on a Friday we send out a letter telling you what's ahead for your child. Please continue to check the PARENTMAIL APP to stay up to date news and information. Here's some information about what your child will be working on in class, including the lesson details for each day.

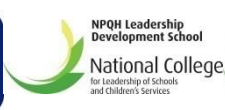

We will be continuing with our topic 'Animal Adventures'. This week the children will be playing games and sorting out animals by their habitat: farm or jungle. We will be also counting objects, sounds and actions.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to!

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Remember to tweet pictures too!

### Family Learning Together

Encourage your child to draw a picture of their favourite things and then talk about it with them.

Don't forget to tweet a picture and tag us too! ☺
