01 February 2023

Dear Parents/Carers;

Safer Internet Day 2023

Safer Internet Day 2023 | **Tuesday**
7 February

Coordinated by the UK Safer Internet Centre

saferinternetday.org.uk

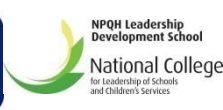

Next week, on Tuesday 7th February, it's Safer Internet Day and here at TVI we'll be doing our best to promote this day and teach the children how best to stay safe online. We'll be having a special assembly for the children and for you, our parents and carers, Adam and Rosa will be hosting a special meeting.

As a parent or carer you play a key role in helping your child to stay safe online. Most people simply don't have the time or the capacity to think about online safeguarding every day. The aim of Safer Internet Day, and indeed our meeting, is to promote the safe, responsible and positive use of digital technology for children and young people in addition to raising awareness of emerging issues and current concerns in the digital world.

Please come along to our special session for parents next Tuesday morning:

How To Keep Children Safe Online Meeting For Parents
Tuesday, 7th February 2023 9am (School Hall) and repeated again via ZOOM at 4pm.

Adam and Rosa will talk to you about all of the latest online trends and how you can keep your children safe. Topics will include keeping your child safe on platforms such as TikTok, Instagram, Facebook, YouTube and Netflix as well as staying safe whilst online gaming and participating in online chats.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

In the meantime, [please have a look at the e-safety section of our school website](#) where you'll find lots of top-tips and links to helpful infographics that will give you a range of information on how to keep your child safe online.

We really hope to see you next Tuesday.

Yours sincerely,
