Dear Parents/Carers,

Nursery learning next week

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

It is essential that you bring your child to school every day. We cannot authorise prolonged absences from school in term time.

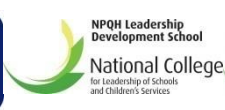

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to.

Please remember:

- ✓ Be on time (drop off and collection)
- ✓ School uniform is required: t-shirt and school jumper
- ✓ Children still need a water bottle in school
- ✓ No long sleeves under their t-shirt

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

On a clear night see what you can see in the night sky. Count the stars, talk about the shape of the moon, and see what else is there. The nights will start getting lighter so make the most before the long summer evenings get here.

Don't forget to tweet a picture and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Any Patap
