Dear Parents/Carers;

## Nursery Learning Next Week

Every Friday I will write a letter telling you what's ahead for your child. Make sure you check our PARENTMAIL APP to keep up to date with the latest information.

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult.

Easter Bonnet Parade is approaching!  
See you all on the **31<sup>st</sup> March!**  
(More information to follow)

At home please carry on encouraging children to be independent by doing things, such as putting on their own coat and feeding themselves. As always it is essential that you bring your child to school every day. We cannot authorise prolonged absences from school in term time.

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey. And of course, keep an eye on Twitter so you can see what we're up to!

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

- Bookings for Parents Meeting go live on **Monday, 20<sup>th</sup> March**  
Check your ParentMail APP

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

### Please remember:

✓ Learning Together – Friday, 24<sup>th</sup> March

- AM Nursery - 8:45am
- PM Nursery - 12:30pm

✓ Easter Holidays – Last Day of School – Friday, 31<sup>st</sup> March

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

#### Family Learning Together

Go on a "shape hunt" around your house or the local area. Get your child to name and draw the shapes they find on real objects

Don't forget to tweet a picture and tag us too! ☺
