We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please have a little look at the **blue box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning together

KS1 children will be looking at different wild animals and saying what they are doing. Can you draw and colour your animals and say what they are doing?

Warmer weather

As the weather is getting hotter, please don't send your child to school wearing lots of layers. Remember hot, sweaty children get grumpy.

Coming Up – Key Dates

Please check parent mail for important dates such as the second seaside visit on 27th June and Bumble Bee Fun Day – 6th July.

School will be closed on June 29th and 30th for ALL children. School will resume for all pupils on 3rd July.

I hope you find this information useful, and we are all looking forward to seeing what you have done when you return to school.

Yours sincerely,

Rebecca Olley and Lauren Skeels
