Dear Parents/Carers;

## Nursery news

There is lots going on this term, so please keep checking our weekly letters and other communication on ParentMail and Twitter. It is essential that you bring your child to school every day. Everyday your child is absent they will miss important learning and social development.

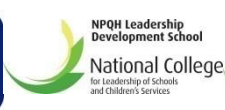

**We are visiting the London Zoo  
on Tuesday, 13<sup>th</sup> June.**

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey. Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

## Father's Day Celebration – Friday 16<sup>th</sup> June

We invite all Dads, grandfathers, uncles, brothers or any male carers to come and join us for some activities to recognise the special role you have in your child's life.

Nursery AM – 10:15 am  
Nursery PM – 2:30 pm

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

### Please remember:

- ✓ Dress your child in appropriate clothes for the hot weather
  - They only need a school t-shirt (no vests)
  - And a rain jacket if it is wet
  - Apply suncream before you come to Nursery
- ✓ Children require a water bottle in school every day.
- ✓ Book your parent's meeting. The line is opening on Friday,
  - 16<sup>th</sup> June, 3pm.
- ✓ Sports day on Monday, 19<sup>th</sup> June.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

### Family Learning Together

Why not go on a "shape hunt" around your house or the local area. Get your child to name and draw the shapes they find on real objects.

Don't forget to tweet a picture and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,
