Dear Parents/Carers;

Welcome to Nursery!

Hello I'm Elizabeth Isaiah, I am the Nursery Teacher and run the provision with Sam Radder.

We've been looking forward to this special day for a long time and it's finally here, the first day at Nursery. We hope you are as excited as we are. The first full week is all about routines and getting to know each other. It's our settling in time. We wanted to make sure that you know what's going on in Nursery as children don't always tell you what they've learnt, what activities they've been doing or even who they played with.

Every week on a Friday I will send out a letter telling you what's ahead for your child. Make sure you are signed up to our **PARENTMAIL APP** or you won't get it. So here it is...

Here's some information about what your child will be working on in class next week, including the lesson details for each day. Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult.

Our "free flow" sessions take place every day: each activity covers a range of the Early Years Areas of Development and include Literacy, Physical Development, Personal Social and Emotional Development, Communication and Language, Understanding the World and Expressive Arts and Design. We plan opportunities for children to explore independently, in small groups, with and without adults.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to!

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

Please remember:

- ✓ Names in jumpers, coats and shoes
- ✓ Sign up to our ParentMail APP
- ✓ Bring a clean set of clothes
- ✓ Welly boots for cold and wet weather
- ✓ No earrings or jewellery

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please have a little look at the **pink box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Support your child with becoming more independent with dressing themselves. Provide them with more time with doing up buttons, zips and putting on their own shoes.

Don't forget to tweet a picture and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Elizabeth Isaiah
