Dear Parents/Carers;

## Nursery learning next week

Every week on a Friday we send out a letter telling you what's ahead for your child. Please continue to check the PARENTMAIL APP to stay up to date news and information. Here's some information about what your child will be working on in class, including the lesson details for each day.

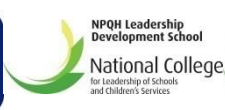

Here's some information about what your child will be working on in class next week. We will be continuing with our topic 'Animal Adventures'. This week we will be learning about farm animals. Children will take part in a range of carefully planned activities revolving around farm Animals and their environment.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to.

It is essential that you bring your child to school every day. We cannot authorise prolonged absences from school in term time. Make sure you are on time so they don't miss a minute of fun and exciting learning.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

### Family Learning Together

Encourage your child to talk about the different sounds they can hear in their environment.

Don't forget to tweet a picture and tag us too! ☺
