Learning in Year 1 and 2 next week!

Dear Parents/Carers;

We hope you all had a lovely break and thank you for reading with your child in the holidays. Parents meeting went very well and thank you once again for all your feedback. After School clubs will begin next week so please keep an eye out on ParentMail to see if your child has secured a place.

Family Learning- Make musical instruments

Tissue boxes and elastic bands make excellent guitars, paper plates with milk bottle tops can be fantastic tambourines, and dried rice or pasta in bottles or tins are the perfect maracas and shakers.

Phonics

COME ALONG TO OUR
OPEN DAY

Our Open Day will take place on Tuesday 14th November, between 8:45am-11am. We really want to show you what happens in School on an "everyday" day to day basis. Please come along!

On Tuesday 21st November (8.45- 10.15) it's Phonics Together for our Year 1 and 2 parents. This is going to be an informative morning where KS1 parents can come into school with their children and see how we teach Literacy / Phonics alongside the children.

It'll be school photo day on Friday 10th November. These photos make lovely keepsakes to look back on in future years, so please make a special effort to send your child in suitably dressed and wearing the correct school uniform on this day.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

To celebrate Diwali, children will be making special Diwali diva lamps in school. Parents are invited into school to help your child decorate them. We'll provide all of the paint, glitter, sequins and glue and all you'll need to do is come along on your child's morning and help them put the finishing touches to their beautiful creations.

Year 1 – 9am on Tuesday 7th November
Year 2 – 9am on Wednesday 8th November

Just a reminder that, on Friday 23rd November, the dentist will be coming to school and all children in Reception and Year 1 (whose parents have completed the consent form) will have fluoride applied to their teeth.

In Geography lessons, our Year 1 children have been learning about **Shops and Food** and in Design and Technology lessons children have been learning about **Fruit and Vegetables** and how we use these to cook.

To help children understand how food gets from the farm to our shops and home they will be visiting Barleylands Farm in Billericay. The dates for the visits are:

Wednesday 15th November – Hippos & Koalas
Thursday 16th November – Pandas & Lions

In History lessons, our Year 2 children have been learning about Schools and to support this work they will be visiting The Ragged School Museum on the following dates:

- **Monday 20th November– Giraffes and Gorillas**
- **Wednesday 22nd November – Tigers**
- **Friday 24th November – Zebras**

This year we will be doing a 'Walk for Pudsey' on **Friday 17th November**

On this day, we will be taking children for a walk around our local shops, all to raise money for Children in Need. **This will take place at 1:30pm.**

We would love to see as many of our families on the route as possible, cheering the children on and supporting this wonderful cause. The children will then return to school for a special 'Children in Need' golden time.

Children's Book Week (6th – 10th November)

Extreme Reading Competition

What's the craziest, strangest place you can think of to read a book? Do you read in the bathtub? On a bike? Upside down on your bed? Send us a picture (via X – previously Twitter) of your most Extreme Reading photographs and tag your class teacher in. There will be prizes for the most extreme readers in Children's Book Week!

COOKING TOGETHER 2023- Year 1

Hippos- Friday 13th October

Lions- Thursday 19th October

Pandas- Friday 20th October

Koalas- Thursday 2nd November

COOKING TOGETHER 2023- Year 2

Gorillas- Tuesday 7th November

Yours sincerely,

Rofiya Begum &
Lakshmi Harikrishnan
KS1 Leaders

Yr 2, Gorillas		Monday	Tuesday
8:45-9:00	Partnered Reading and Registration	English Project - BU (60 mins)	Science (60 mins)
