Dear Parents/Carers;

It's nearly end of term!

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk

It is essential that you bring your child to school every day. We cannot authorise prolonged absences from school in term time. Make sure you are on time so children don't miss a minute of fun and exciting learning.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to.

Please remember:

- Christmas concert for Nursery parents:
 - Monday 18th December 1:30 pm Afternoon Nursery Parents
 - Tue 19th December 9:30 am Morning Nursery Parents
 - Thursday, 21st December 9:30am for any parents who missed earlier concerts.
- There is NO concert on Friday – Nursery will be closed for all children

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Nursery Parties

Next week children will enjoy a party before they finish for the festive break. These will be during their final session that doesn't clash with a concert.

- Wednesday 20th December for Nursery AM
- Thursday 21st of December for Nursery PM

Please see us regarding food/drinks requirements

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Encourage your child to draw a picture of their favourite things and then talk about it with them. The talking is as important as the drawing to help them develop language skills.

Don't forget to tweet a picture and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Adam Dobson
