15 December 2023

Dear Parents/Carers,

Reception Learning Week!

Every week on a Friday we send out a letter telling you what's ahead for your child. Please continue to check the PARENTMAIL APP to stay up to date news and information.

Class Parties – Thursday 21st December

On the last day of term, the children will be having their Christmas class parties. We will write with more information closer to the time letting you know what donations we will need.

Party Day is a non-uniform day.

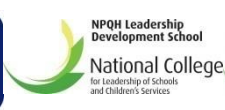

School finishes 3.15pm

School resumes Monday 8th January

Remember! On concert days **you won't be able to bring buggies or push-chairs** into school (for Health and Safety reasons), but they can be left under the shelter outside the hall. Please try and come on your allocated day – as on the final day, it usually gets **really** busy!

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on X(Twitter) @AdamDobsonTVI so you can see what we're up to!

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

(Twitter) highlights from this week's learning

Here are some pictures from this past week in Reception

If you want to see more of what is happening in Reception, sign up to X (Twitter) and follow: @AdamDobsonTVI, @TVInfants, @Fiona_TV

Please have a little look at the **blue box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

The children are fascinated by travelling to space and what the conditions are like when you get there. Take some time to watch some videos with them about Space Exploration.

Don't forget to tweet a picture and tag us too! ☺
@TVInfants, @AdamDobsonTVI, @Fiona_TV

We hope you'll find this information helpful

Yours sincerely,

Adam Dobson

Head of EYFS
