19 January 2024

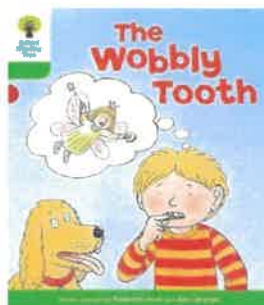

Dear Parents/Carers,

## Learning in Year 1 and 2 next week!

Hello. We are Amy and Lakshmi. We are the leaders in Year 2 and Year 1. Every week on a Friday we send out a letter telling you what's ahead for your child. Please continue to check the PARENTMAIL APP to stay up to date with news and information.

### Assessment

Year 1 and 2 teachers will be assessing children's reading next week. Look out to see if they have moved up book bands. If you think your child is on the wrong book band please see your teacher.

### Clubs

Please check ParentMail to see what after school clubs we have on offer. Clubs will be starting in the week beginning of 29<sup>th</sup> January 2023.

### Learning Together

Learning together will take place in Hippos on the 25<sup>th</sup> January 2023 and Lions on the 26<sup>th</sup> January 2023 @ 8.45am. Come straight to class with you child

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

As the weather gets increasing colder we get into the habit of dressing for warmth. You must resist the urge to put your children in extra layers of clothes.

The classrooms are very warm and hot children = grumpy children

We do ask the children to remove any additional layers when they get in to class. So, their school t-shirt, school jumper and a jacket are all they need.

On Tuesday 23<sup>rd</sup> January Year 2 children will be taking in a Great Fire of London work shop as part of the Year 2 curriculum.

### PE Kits

Please remember your child needs their P.E. kit in school. Both Year 1 and Year 2 do PE twice a week. It needs to be in school all week, every week, in a PE bag on their cloakroom peg.

### Family Learning Together

In Year 1 children will be learning about doubling numbers. They could practise by doubling coins or objects at home.

Year 2 are learning about healthy eating in Science. Can you plan a healthy dinner and cook it together?

We hope you'll find this information helpful.

Yours sincerely,

Amy Windsor &  
Lakshmi Harikrishnan Nair
