Dear Parents/Carers;

Nursery Learning Next Week

Next week is the final week before the Easter break. School reopens for all children on Monday 17th April.

Easter Bonnet Parade is approaching! See you all
on **Thursday 28th March!**

If your child is attending our morning or afternoon Nursery
please meet us outside Nursery at 9:00 with your bonnets
to accompany your child on the parade.

At home please carry on encouraging children to be independent by doing things, such as putting on their own coat and feeding themselves. As always it is essential that you bring your child to school every day. We cannot authorise prolonged absences from school in term time.

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey. And of course, keep an eye on Twitter so you can see what we're up to!

It is essential that you bring your child to school every day. Everyday your child is absent they will miss important learning and social development.

Please remember:

✓ **Easter Holidays:**

- **Last Day of School - Thursday 28th March**
- **School reopens for all children Monday 16th April**

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

- Parents Meetings are now bookable via ParentMail
After school Monday 22nd April
Or: Parrots: 24th April
Penguins: 23rd April

For more details regarding our parent meetings please check ParentMail.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Introduce your child to a range of different fruit and vegetables. Talk with your child about the how they taste, the flavour and textures.

Don't forget to tweet a picture and tag us too! ☺
