Dear Parents/Carers;

Nursery Summer term!

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult. Next week we will be continuing with our topic 'Transport'.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk

It is essential that you bring your child to school every day. Everyday your child is absent they will miss important learning and social development.

Nursery visit Steam train ride!

Nursery AM and PM – 14th May - all day

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please remember:

- Children will get too hot in school when the weather gets warmer – they don't need lots of layers.
- Children will need a water bottle everyday.
- **St Georges day Tuesday 23rd April.** Children can wear 'red or white' or come in dressed in party clothes.

Please make sure you have booked your parent meetings via PARENTMAIL App.

Parents meetings:
Monday 22nd April after school, Parrots and Penguins
23rd April - Penguins
24th April – Parrots

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Go for a walk with your child in your local area. Talk about what you can see, hear, smell, and feel. Encourage your child to explore their senses.

Don't forget to tweet a picture and tag us too! 😊

Nursery Timetable WB: 22nd April	Monday	Tuesday	Wednesday	Thursday	Friday
8:45 - 9:00 12:30-12:45	Welcome and settling period. Children find their name brick to complete their self registration, then choose an activity.				
9:00 - 9:20 12:45-1:05	Reading familiar animal stories and exploring different fruits.				
	I can talk about the story - The Train Ride.	I can join in with the story rhymes.	I can join in with a role play about the story.	I can join in with a memory game.	I can join in playing what's in the bag game.
9:20 - 11:15 1:05-3:00 including freeflow	Free Flow Activities				
	We will be pretending to play in the transport cafe role play area. We will be learning how to play with our friends and share our toys.				
	Children are developing their fine motor skills with a range of mark making and construction activities. They can use paint to print patterns and shapes.				
	Personal Social Emotional Development: We are encouraging children to be more independent and confident.				
	Directed Activities:				
	We will be playing in the 'travel agent' role play.	We will be making a transport collage.	We will be making a balancing route with wooden blocks.	Children will be making observational drawings.	We will be planting flowers and herbs.
	Outside:				
Children are developing gross motor (big muscle) skills. They are building with construction materials, and climbing on the climbing frame.					
11:15-11:45 3:00-3:30	Snack time:				
	During snack time children are encouraged to choose, eat, and drink their snack independently. They are encouraged to show good manners, saying please and thank you.				
	We will read some of our favourite stories. Children will learn counting songs such as 'five currant buns' and are encouraged to join in with singing and actions.				
Home time	You can talk to your child about the activities and perhaps get them to show you. Read stories with your children and encourage them to talk about what they can see in the pictures.
