Dear Parents/Carers;

## Nursery Summer term!

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult. Next week we will be continuing with our topic 'Transport'.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk

It is essential that you bring your child to school every day. Everyday your child is absent they will miss important learning and social development.

## Water bottles essential for every child

It is essential all children have a water bottle with them every day. The weather is getting warmer and children need to have their own bottles so they can help themselves when they are thirsty.

We're a PAPERLESS School – so you **must** download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey.

### Please remember:

- Dress your child in appropriate dress for the hot weather
  - They only need a school t-shirt (no vests)
  - Apply suncream before they come to Nursery
  
- We are going to the Zoo –
  - Wednesday 26th June – AM children
  - Thursday 27th June – PM children
  - Consent and confirmation of your attendance.
  - Payment - £45

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

### Family Learning Together

Enjoy the warm dry weather – go and play some games together at the park. Ball games are fun, but there are lots of chasing games to play.

Don't forget to tweet a picture and tag us too! ☺
