Dear Parents/Carers;

Nursery Summer term!

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult. Next week we will be continuing with our topic 'Transport'.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk

It is essential that you bring your child to school every day. Everyday your child is absent they will miss important learning and social development.

We are going to the Zoo!

Please respond to the letter on ParentMail

Wednesday 26th June – AM children
Thursday 27th June – PM children

- ✓ Consent and confirmation of your attendance
- ✓ Payment - £45

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey.

Please remember:

- Monday **3rd May** - Bank Holiday, **School is closed.**
- Children will get too hot in school when the weather gets warmer – they don't need lots of layers.
- Children will need a water bottle everyday.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

We have been learning about transport and different vehicles. Encourage your child to talk about the different sounds they can hear in their environment when you're out and about.

Don't forget to tweet a picture and tag us too! 😊
