03 May 2024

Dear Parents/Carers,

Learning in Year 1 and 2 next week.

Next week, in Writing the Year 2 children will be writing their own report about daytime. They will be describing what daytime looks like, what people do and what they do. In Maths they will be learning about inverse and division. In Science the children will be discussing plants in their local environment.

Children in Year 1 will be learning the doubles and near doubles in Maths. They will also be learning about capacity. In Writing, children will be writing letters based on the story of The Three Billy Goats Gruff. In Science children will be carrying out an investigation about plant growth in different light condition.

Don't Forget!
Monday 6th May is a Bank Holiday and school will be closed.

Sports Together!

9th May - Hippos Year 1
10th May - Lions Year 1

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Don't forget this term the weather will start to get brighter and warmer, so make sure children are coming to school in a T-shirt and not too many layers. Encourage them to take ownership of how they feel and how they can help themselves if they get too hot. Remember to send your child to school with their water bottle.
Hot children = Grumpy children!

Family Learning Together

Year 1 children are learning about capacity. It would be great if you can bring in any plastic containers that you recycle. In History children are learning about holidays in the past. It would be nice if you can talk to them how different it was going on holidays when your grandparents were young.

The Year 2 children are writing a report about daytime. Talk to them about things that happen during the day. For example; people go to work and shopping. Ask your child what do they do? What is their favourite thing about daytime?

We hope you'll find this information helpful.

Yours sincerely,

Amy Windsor &
Lakshmi Harikrishnan Nair
KS1 Leaders

Term 3a Week Beginning: 6th May 2024

Week 4

Key Stage 1

Sports Together Hippos Weekly Planning Sparks Together Phon

Yr 1, Pandas	Monday	Tuesday
8:45-9:00	Partnered Reading and Registration English Project - BU (60 mins) I can write question sentences.	Partnered Reading and Registration Extra English - BU (60 mins) I can write question sentences.
9:00 - 10:45	RSWS (45 mins) I will know the alternative pronunciation of ou.	RSWS (45 mins) I will know the alternative pronunciation of ou.
10:45 to 11	Maths (40 mins) I will know the doubles for nos upto ten.	Maths (60 mins), including oral/mental reinforcement I will know the doubles for nos upto ten.
11:00 - 12:15	ICT (20 mins) I will know how to save my work in the correct folder	ICT (20 mins) I will know how to save my work in the correct folder
12:15 - 1:15 & 1:15 - 1:30	Handwriting (15 mins) cl clip	Handwriting (15 mins) cl clip
1:30 - 3:15	RE (25 mins) I will predict how much light seeds need to grow. I will make a fair test investigate my predictions.	Science (60 mins) I will predict how much light seeds need to grow. I will make a fair test investigate my predictions.
Homework:	PE - Games (60 mins)	D&T (45 mins) I will use a graph to identify what are the favourite types of play ground equipment.

Wednesday	Thursday	Friday
English Project - BU (60 mins) I will know how to write a letter (from the troll)	Partnered Reading and Registration English Project - BU (60 mins) I will use my letter plan to write to the troll (from the Bully Goats Gruff) (extended write).	Partnered Reading and Registration Science (60 mins) My own characters will give their own reasons for crossing the Troll's bridge.
RSWS (45 mins) I will know the alternative pronunciation of ou.	RSWS (45 mins) I will know the alternative pronunciation of ou.	RSWS (45 mins) I will know the alternative pronunciation of 'kn'.
Maths (40 mins) I can double and then add one when adding neardoubles.	Maths (60 mins), including oral/mental reinforcement I will know how to compare capacities of different containers.	Maths (55 mins), including oral/mental reinforcement I will know how to measure capacity using non standard units.
Handwriting (15 mins) cl clip	Handwriting (15 mins) gr from	Circle Time (20 mins) gr frame
LUNCH & ASSEMBLY		
History (45 mins) I can use information from the (recent) past to answer questions about holidays	Art (60 mins) I can look closely at pictures of animals sculptures by 2 artists and say what is the same and what is different.	Geography (45 mins) RE I will know who is Brahman for a Hindu person.
PE - Outdoor (60 mins) I will perform 3 jumping patterns in a race	Music (45 mins) I will sing a song by following the rhythm.	Circle Time (20 mins) —
