13 June 2024

Dear Parents/Carers;

Learning in Years 1 and 2 next week!

Next week, in Writing the Year 2 children will be continuing to write about the text 'Handa's Surprise'. They will plan and write their own version of the story. In Maths they will be collecting, presenting and answering questions about data. In Science they will be making their own simple electrical circuit then adding extra devices.

Next week, children in Year 1 will be learning about time on analogue and digital clocks. They will also be ordering days of the week in Maths. In Writing, children will be continuing writing animal poems based on the poem Walking Through the Jungle. In Science children will be learning to group the animals based on the things that are same and different.

Parent Teacher Meetings

Wednesday 10th July – Year 1 - Appointments available all day (8:00am – 5:30pm)

Thursday 11th July – Year 2 - Appointments available all day (8:00am – 5:30pm)

We're a PAPERLESS School – so you **must** download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Coming up

17th June – No School for Eid

18th June – Eid Party for children. Please send party food. Non - Uniform day

19th June – Class Photo

9th July – Stubbers

16th July – Sports Day

Summer Fayre

Our Summer Fayre will be taking place on Friday 19th July. If you are interested in renting a stall please speak to Donna in the office. We desperately need donations including toys, uniforms, books, food, teddy bears and prizes

Family Learning Together

Year 1 are learning to show time on analogue and digital clock. Discuss time at home during different times of the day.

Create some pasta pictures

Find some dried pasta, paper and PVA glue and create some pasta masterpieces. Feeling brave? Add some rice to the mix and see what you and your child can come up with.

The Year 2 children are learning about electricity in Science this year. Talk to your child about the dangers of electricity and how they can keep safe. Discuss different objects in your home and say whether they are operated by mains (plugged in) or battery.

We hope you'll find this information helpful.

Yours sincerely,

Amy Windsor &
Lakshmi Harikrishnan Nair
KS1 Leaders

Yr 1, Pandas	Monday	Tuesday
8:45-9:00	English Project - BU (60 mins) Partnered Reading and Registration	Extra English - BU (60 mins) Partnered Reading and Registration
9:00 - 10:45	RSWS (45 mins) I will write my own verse for "Walking through the Jungle". HOLIDAY EID	RSWS (45 mins) I will know the alternative spelling (i) = y FRUIT & BREAK Maths (60 mins), including oral/mental reinforcement I will know and order the days of the week. ICT (20 mins) I will be able to make a background using Design Make. I will be able to read characters using Design Make. Handwriting (15 mins) ck duck
10:45 to 11	Maths (40 mins) I can tell the o'clock times on analogue and digital clocks. Handwriting (15 mins) ck Luck	Maths (40 mins) I can tell the o'clock times on analogue and digital clocks. ICT (20 mins) I will be able to make a background using Design Make. I will be able to read characters using Design Make. Handwriting (15 mins) ck Luck
11:00 - 12:15	Maths (60 mins), including oral/mental reinforcement I can tell the half past times on analogue and digital clocks.
