06 September 2024

Dear Parents/Carers;

Welcome Back to School!

**WELCOME
BACK!**

We hope you've enjoyed the summer with your children. It's great to see everyone back. The children are settling well into their classes and there is a very happy atmosphere in school.

We finished last term on a wonderful note – we received confirmation from Ofsted that we're still Outstanding! If you haven't already read our report, [click here to read all of the wonderful things that Ofsted had to say about us!](#) We've also received [this letter here](#) from the Chief Ofsted Inspector, congratulating us on retaining our Outstanding judgement for the third time in a row!

We are looking forward to another successful year, building upon last year's achievements, in partnership with my team and James Smith at Thames View Juniors, to the benefit of all our pupils.

Here are some important messages and "top tips" to help us all "carry on from where we left off" before the summer...

School Uniforms Please!

I wanted to remind you that we ask for all children to wear one of our school-branded polo shirts, available to purchase on ParentMail in six vibrant colours, all priced at £6 each. We do not want children to wear any other types of shirt/top whatsoever. The T-shirts were designed by some of our ex-pupils and our children are still very excited about wearing them.

Also available via ParentMail are the PE kits and also our signature Book Bags and PE bags.

Please place your order online, via ParentMail, and we will fulfil it as soon as we possibly can. As you can imagine, this is our busiest time of the year. However, we are still aiming to have all orders

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

fulfilled and delivered within a week. All uniform orders are delivered to class and you will get an email when the order has been given to your child. They will then come out from school with their uniform order in a shopping bag at the end of the school day.

Overly Hot Children!

It's only just turned Autumn and **most children will not yet need a jumper or vest in school!** Children are really active at school. Wearing too many layers will over-heat them and increases the chances of items of clothing getting lost.

Also, please make sure that children's names are written in all items of clothing. Lost property can be located in our front office.

Please note that no jewellery is allowed in school and this includes earrings. If your child does have earrings, **please take them out.** Earrings, if pulled or caught, can result in a nasty tear. If your child comes into school wearing earrings, they will be removed and given back to the adult collecting your child at the end of the day.

PE Kits

All children undertake 2 hours of high-quality PE in school each week. Throughout the year, they are taught PE in two weekly lessons – developing vital Gymnastics, Games, Dance and (in Year 2) Swimming skills. **Children require a PE kit and this needs to be in school all week. Please make sure you provide your child with a PE kit and a suitable PE bag.** My teachers will be writing to you within their Year Groups to tell you when their PE lessons are. Year 2 children will be attending swimming lessons as part of their PE curriculum this term and need to have their swimming kits in school at all times.

It's good to talk!

Teachers are busy getting to know their new classes. Please come and introduce yourself to them in the playground. Good communication is so important and helps us get to know you and your children even quicker still.

In October, you'll have the chance to formally meet with your child's class teacher at our Parents' Meetings. Dates for these will soon be available via the ParentMail App.

Coming to School Every-day!

Please remember all of the ways that we can help support your child coming to school every day – including administering medicine at school, keeping a 'special eye' on them when they are 'under the weather' and watching out for them at lunchtime. Please continue to call the school (by 10am) in order to report an absence on each and every day of your child being poorly. Last year our attendance was one of the highest of all Primary Schools within Barking and Dagenham and, this year, we want to build upon this further. Remember, you should not book family holidays during school time.

Please also remember that the DfE have updated their guidelines on school attendance which, as a school, we must implement. This includes a revised approach to fining parents/carers for their child's unauthorised absences and a hefty increase in these charges.

Pre-Loved Uniform Sales

We understand that many of our families are struggling to make ends meet at the moment and we want to do all that we can to help. We're aiming to hold a 'pre-loved uniform' sale at least once a term and in order to make this happen we really need your help.

We are looking for donations of any old uniform that your child no longer needs / fits into. Rather than throw any old uniform away when you've finished with it, we would be really grateful if you could donate it to us. We will wash and iron it and make sure that it goes to a new home and doesn't go to waste. Thank you in advance for your help with this.

First and Surnames

At TVI we want our children to know teachers by their first and surnames, depending on the formality of the situation. So you'll expect to hear your child referring to their teacher, for the most part, by their first name. (In assemblies and other formal times, for example, we revert to the formal Mr/Miss format). I greatly believe that children learn to respect their teachers through careful relationships within a vibrant provision and with 'high quality' teaching – which is what we have here at Thames View Infants.

Wraparound Care – Premier Education

In case you don't already know, Premier Education are delivering an after school wraparound provision at Thames View Infants this year.

Please click on the link below for more information on how to register your child for this provision:

We're here to Help! - Resolving Worries

We hope your child has a very successful academic year with us. We strive to provide the best education for all our children. My staff and I work very hard to build positive relationships with all parents and stakeholders and to offer exemplary customer service. All my staff are here to help – so please don't ever worry needlessly about anything. Listening to gossip often just makes things worse and is usually unfounded. Misunderstandings are almost always unintentional and when something is not right, it's important that you **come and talk to us straight away**. All of my staff, including my leaders, are here to listen: come and talk to us and we'll see what we can do, together, to put things right. Emma Murphy (our Inclusion Officer & DSL) and Suzy Waters (our SENDCO) is around in school to help too and they will be sending out more information shortly.

My staff are a great bunch of professionals, who really have a great passion and a genuine desire for your child to do well - many of whom have families of their own. At times, no doubt, you might get upset about something unintentional and we'll always be here to help you – but you mustn't take it out on us. **Accordingly, we won't tolerate threatening, vexatious or bullying/aggressive behaviour whatsoever.** We have a Code of Conduct Policy and any violations of this could result in you being **banned from the School premises** – which means not being allowed in beyond the School gates. That's something that we'd hate to see happen and we're keen to avoid, so please - for the well-being of your child's education – please, keep it calm and courteous in School.

Helping ALL Children Achieve their Best

We are very good at helping our children, regardless of their ability, to do particularly well. I judge the quality of learning as Outstanding and, together with careful planning, support and a deeply inclusive provision, all our children make particularly accelerated progress. Indeed, we are one of the highest attaining Infant Schools nationally. Teachers differentiate their work in each lesson and do their best to personalise this to the needs of individuals. The groupings in classes will change across lessons and also over time as we carefully tailor the learning so that your child gets the right balance of challenge and consolidation. If you feel you would like more information on the learning that your child is working on, or want to know what you could do at home to help further, come and talk to us.

Find out what we're doing – *all the time!*

Did you know we're on X (previously called Twitter) – the social networking site? Subscribe and get daily 'live updates' about what's going on at school and 'behind the scenes' – and join in with the conversation [@TVInfants](#).

Thames View Infants Television – on YouTube

We have an extensive online archive of Top-Tips, Podcasts and other movies from our Academy over the last few years. Have a look at the "Our Best Days at Thames View Infants" showcase video. You could even search the archive and watch one of the other 300 videos we've made over the last few years.

Watch us on

It's not a nice subject, but I want you to remember, some important **Safeguarding obligations**:

- Children under 13 must not be on Facebook or Social Media and that's your responsibility.
- You (or your child minder) must stay with your child in the playground before and after School and NOT allow them to wander out of sight. You/they must never drop your child off at the school gates.
- It's illegal to slap a child in such a way that it leaves a mark. It is your legal responsibility to make sure that people looking after your child doesn't do this either. If a child happens to disclose this to us, which they do often willingly tend to do, then it's our responsibility to seek advice from Social Services in the first instance and then follow *their* lead.
- It's also your responsibility to send your children to School every day and punctually too. Children who miss approximately, on average, a half-day a week (i.e. with attendance lower than 90%) will have their details passed to the Local Authority and reported to the DfE as a Persistent Absentee. This is a statutory measure and happens regardless of the reason for absence.

Reminders!

If something is not right, whatever is, then come and talk to us. The more we all talk together, the better our children will do at school!

Please, bring your child to school wearing one of our new polo shirts.

Please remember to put your child's name in their clothes.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

-  In KS1, children receive homework twice a week and extra copies are available on our website.
-  Children require shorts and plimsolls for PE and they should keep their PE kit in school every day.
-  Children require their book bag every day and should read at home with an adult every evening.
-  Family holidays take place during school closures only – please see the school calendar dates on our school website **(or you may be fined per child/per parent and even lose your school place!)**
-  EVERYTHING is available online – so explore our website!
-  Follow and join in the conversation with us on X.
-  Use Parent Mail and check it every day!

I'm really looking forward to the upcoming academic year; I know it's going to be a very successful one and we're already planning lots of exciting educational visits, theatre groups, open days and special events for both you and your children to enjoy. We're all busy getting to know all our children anew, but please do pop in and say hello and, as always, thank you for your on-going support.

Yours sincerely,

Paul Jordan
Headteacher
