Learning in Year 1 and 2 next week!

Dear Parents/Carers;

This week in KS1, we are assessing how well children are doing in their reading and writing. Teachers will use this to assess and think about the next steps of writing for the children in their class. In Maths, children will be learning about length and height. They will be comparing and measuring length & height in Year 1. In Year 2, children will be learning how to add 10, 20 and 30 to a number, as well as taking away from the largest number.

Please join us for cooking together...

COOKING TOGETHER 2024 - Year 1

Thursday 3rd October- Squirrels

Friday 11th October-Foxes

Thursday 17th October-Owls

Friday 18th October- Snakes

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

COOKING TOGETHER 2024 - Year 2

Thursday 26th September- Hippos

Friday 27th September- Lions

Thursday 10th October- Pandas

Thursday 24th October- Koalas

Reading Meeting for Parents

We're often asked by parents for advice on how to support reading at home. In light of this, we'll be holding a Reading meeting to explain how we feel children learn best and show you how you can be involved in your child's reading journey.

Year 1:

Thursday 3rd October at 3:30pm.

Year 2:

Thursday 10th October at 3:30pm.

Family Learning Together- Make a Memory Box

A memory box is one of the easiest indoor craft activities for children to try out. Requiring just a cardboard box and a little imagination.

Have them gather some of their favourite memories together – could be postcards, photos, their old favourite teddy. Add them to the box, then decorate the lid with glitter, paper and whatever else they can get their hands on.

Yours sincerely,

Amy Windsor, James Woodhill & Lakshmi Harikrishnan Nair
KS1 Leaders
