Maths – We will be learning the names of 2D shapes.

Fine motor – Children will have a variety of cutting activities this week.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please have a little look at the **blue box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning together

Daisies - Can your child request for their favourite item?
Poppies – Can you see any 2D shapes around the house?

Key dates

- October 22nd is Bumble Bee Parents Meetings. Please see Suzy or Lauren nearer the time to book your time.
- As the weather gets colder, please provide your child with a warm coat, hat, scarf and gloves. All items of clothing must have their names on as things can go missing?
- Has your child got a cosy pair of slippers they can bring to school and wear? Shoes are getting muddy so if you could please provide a pair of slippers.

I hope you find this information useful, and please remember to share anything exciting on X (twitter)

Yours sincerely,

Suzy Waters and Lauren Skeels
