11 October 2024

Learning in Year 1 and 2 next week!

Dear Parents/Carers;

In Year 1 Literacy, children are writing about the story 'Ten in the Bed'. In Maths, they will be learning about 2D shapes and following instructions for directions. In Science, they are exploring in depth their 5 senses. They will be exploring the sense of tasting and smelling.

In Year 2, the children will be writing a book review about their favourite Martin Waddell story. In Maths they will be learning how to give change. In Science they will be learning about how we use our sense of hearing to recognise danger.

Carnival Day

Friday 18th October

On Friday 18th October we're going to be having our very own Carnival Day! This will be a non-uniform day and we'd love for all of our children to come to school wearing their cultural clothes. If you don't have a cultural outfit for your child they can wear their party clothes on this day – the brighter and more colourful, the better! The children will be having a special Carnival assembly on this day and they'll be listening and dancing to music.

Graded Outstanding Again!

2024

The Year 2 children will be learning about giving change in Maths lessons next week. They will be setting up a Cake Shop. Please visit their shop so the children can experience giving change. The shop will be open at 8.40-9.00 every morning next week. Please bring coins instead of notes.

We'll be sharing lots of cultural stories with the children in our assemblies throughout this month and we would love for our families to get involved, too. Maybe you and your family have some cultural stories, songs, dances, food or more you'd be happy to share with the children. If this sounds like something you could help with then please do let us know. We're happy to plan sessions to deliver alongside you or we can try to source food you'd like children to try - the more the merrier, just let us know!

Parent-Teacher Meetings

This term our Year 1 and Year 2 Teachers will be hosting in person Parent Meetings on the following days:

Monday 21st October – Years 1 & 2 – Evening Appointments (3:30pm – 5:30pm) except Koalas

Tuesday 22nd October – Year 1 - Appointments available all day (8:00am – 5:30pm)

Wednesday 24th October – Year 2 - Appointments available all day (8:00am – 5:30pm)

Pandas and Koalas will be Tuesday 22nd October

I really hope you can attend this meeting. It will provide you with a valuable opportunity to discuss your child's progress and for us to give you more information about learning in school, the curriculum, homework, and letting you know of any extra ways that you might be able to help your child further at home.

Yours sincerely,

Amy Windsor, James Woodhill & Lakshmi Harikrishnan Nair
KS1 Leaders
