Learning in Year 1 and 2 next week!

Dear Parents/Carers;

In Year 1 Literacy, children are writing about the animals they love. It is based on the story 'I love animals', In Maths, they will be learning to count in twos and learning about even and odd numbers. In Science, they are exploring their 5 senses.
In Year 2, children are writing about the story 'Owl Babies', focussing on adjectives and connectives. In maths, they will be learning about the properties of 2D and 3D shapes.

Please join us for cooking together...

Remember to join us for the Literacy Meeting...

Reading Meeting for Parents

We're often asked by parents for advice on how to support reading at home. In light of this, we'll be holding a Reading meeting to explain how we feel children learn best and show you how you can be involved in your child's reading journey.

Year 2:

Thursday 10th October at 3:30pm.

We'll be sharing lots of cultural stories with the children in our assemblies throughout this month and we would love for our families to get involved, too. Maybe you and your family have some cultural stories, songs, dances, food or more you'd be happy to share with the children. If this sounds like something you could help with then please do let us know. We're happy to plan sessions to deliver alongside you or we can try to source food you'd like children to try - the more the merrier, just let us know!

Parent-Teacher Meetings

This term our Year 1 and Year 2 Teachers will be hosting in person Parent Meetings on the following days:

Monday 21st October – Years 1 & 2, except Koalas and Hippos – Evening Appointments (3:30pm – 5:30pm)

Tuesday 22nd October – Year 1 & Koalas and Pandas - Appointments available all day (8:00am – 5:30pm)

Wednesday 24th October – Year 2 - Appointments available all day (8:00am – 5:30pm)

I really hope you can attend this meeting. It will provide you with a valuable opportunity to discuss your child's progress and for us to give you more information about learning in school, the curriculum, homework, and letting you know of any extra ways that you might be able to help your child further at home.

Yours sincerely,

Amy Windsor, James Woodhill & Lakshmi Harikrishnan Nair
