Dear Parents and Carers,

Peep Learning Together Programme- Information Coffee Morning

What is <u>Peep</u>?

The Peep Learning Together Programme helps parents, carers and practitioners make the most of the learning opportunities in everyday life, supporting young children's learning through play.

The Peep Learning Together Programme extends what parents/carers already do to support their child's learning in everyday life.

Research has found that the main influences on young children's outcomes are the quality of the relationship with their parents and carers, and what they do with their family, from birth.

The Programme covers five strands of child development, which it aims to improve by working with parents and carers:

- personal, social and emotional development
- communication and language
- early literacy
- early maths
- health and physical development.

Sam, our Nursery Practitioner, and Jodie, our Speech and Language Teaching Assistant, have both carried out Peep training, and are holding two sessions to introduce the programme, and how it can help support our children and their families.

Please join us on Wednesday 20th November at either 8:45am or 12:15pm, which ever time suits you best.

Please drop your child to Nursery, and then come to the office to sign in.

In the meantime, as always, if you have any concerns about your child's learning, development or their speech and language, please talk to their class teacher.

Yours sincerely,

E. Murphy

Emma Murphy | *Inclusion Officer*
