Dear Parents and Carers,

## 2025 Learning Together @TVI

As you know attainment at Thames View Infants is exceptionally high and our teachers teach Outstandingly – making children particularly well prepared for their next stage of learning. For a long time now we've been looking at different ways to show you what this looks and feels like and in light of this we've decided that, every week, each teacher will take it in turn to invite you into their class in order to *show* you how well they teach and also how well your children learn when reading and writing.

Accordingly, next term, every week we will be holding our 'Learning Together' sessions. If you would like to attend this session, please come into school with your child on your designated morning at drop off time. Our 'Learning Together' session will take place from 8:45am – 10:15am and will be followed by a 15 minutes 'Question and Answer' de-brief by the teacher afterwards.

Similar to our "Cooking Together" sessions, this time I would like you to gain a good understanding of how our literacy mornings typically run, how Outstandingly our teachers teach and how high your children attain.

I do hope that you will be able to come along to your session - I am particularly proud of our school and so very excited about sharing this practice with you. If you can come along to your session, please come straight into school with your child where we will greet you, get you signed in and then briefed for the morning.

Yours sincerely,

Paul Jordan  
Headteacher

Graded Outstanding Again!
