Dear Parents/ Carers,

Carers Centre- Coffee Morning

The Carers Centre have very kindly offered to come in and host a coffee morning here in School on **Tuesday 28th January at 9am**

Parents can sometimes feel isolated, worried or exhausted by the care that they provide for their child. At times you can feel you are forever attending hospital appointments and trying to obtain services for your child. Friends and family may not always understand the difficulties you face and it may be difficult to discuss your feelings or concerns.

The Family Services Project offers information and signposting to services.

Support can include:

- Advice for welfare/ benefits
- Information about services available to you and your child
- Access to peer support
- Carers Assessments
- Help to fill in an emergency plan if needed

Our family services are focused on the needs of parents or carers of children with additional needs. This may include carers of children with:

- a physical disability
- a problem with sight, hearing or speech
- learning difficulties
- emotional or behavioural problems

If you'd like some advice on any of those things, or have any other questions, please come along.

Yours sincerely,

Emma Murphy
Inclusion Officer
