Dear parents/ carers,

School Nurse Drop In

Once a month, the school nurse comes into school to offer a 'drop-in session' for parents and carers. They are there to offer support and answer any questions you may have about your child's health and development.

We know how difficult it is to get a GP appointment at the moment as services are so stretched, so we feel having a school nurse come into school is a really useful way to ask for some support and advice.

The school nurse will be coming into school on **Monday 10th March from 8:45am.**

You can use this time to speak to the nurse about,

- Speech and Language
- Asthma
- Allergies including intolerances
- Healthy/ Picky Eating
- General Health

Plus, anything else you feel the nurse may be able to support you with.

We hope to see you there!

Best wishes,

Emma Murphy
Inclusion Officer
