28th March 2025

Dear Parents / Carers;

World Autism Day 2025- Diversity is Our Strength

At Thames View Infants, we celebrate each and every child and help everyone achieve their best. We recognise that some children have varying neurodiverse needs, which includes ADHD and Autism, and we try our best to ensure we are as inclusive as possible.

World Autism Day is aimed at raising awareness about Autism Spectrum Disorder (ASD), fostering acceptance, and encouraging support for those on the spectrum. Recognised around the world, this is an important milestone towards a more inclusive society where neurodiversity is embraced and people with Autism are empowered to succeed!

To celebrate this, we invite all children to wear a 'Spectrum of Colours' to represent the spectrum of ASD and neurodiversity here at Thames View Infants, and across the world.

In class, we will also be asking the children to tell us what they believe their strengths are and what makes them special. They will then write this on a sticker, which they will wear with pride throughout the day.

This will take place on **Wednesday 2nd April**, and children can wear their favourite colours- the more colours the better! The children will also have a special assembly led by me.

We look forward to seeing you all in your rainbow of colours!
