Dear Parents and Carers,

Thames View Infants – Open Day for Parents on 10th November 2025

We are excited to invite you to an **Open Day** for all current parents and carers at Thames View Infants on **Monday 10th November**. This is a unique opportunity to see **learning in action** across our school — from Nursery through to Year 2 — and to experience first-hand what makes our provision **Outstanding**.

Why Attend?

You will be able to see:

- What learning looks like at TVI on a typical day
- How our teachers teach and how children engage in lessons
- Attainment and progress across different year groups
- The work taking place in **Writing, Reading, and Maths**
- How much children write and create across the School

What to Expect

Our Open Day will be different from the “Learning Together” sessions which you’ll be invited to later in the year. This session will be more of a **fly-on-the-wall experience**, allowing you to quietly observe lessons across a variety of year groups.

The morning will be guided by myself and I’ll be available to provide context, explain the learning, and answer any questions that you might have. There will be a **short introductory session** in the school hall at 8:45am upon your arrival after which you’ll be free to look around our school. The morning will close with a **Q&A session in small groups at 10am**.

Graded Outstanding Again!

and Children's Services

National Support School
designated by
National College
for Leadership of Schools
and Children's Services

Please note:

- Doors close strictly at **8:45am** — late arrivals cannot be admitted.
- Due to space limitations, attendance is restricted to **two family members per child**.
- For health and safety, **buggies are not allowed**, and **mobile phones** should not be used to ensure minimal disruption to lessons.

As a **National Leader of Education (NLE)**, we often host events like this for other schools to share our Outstanding practice. This is a wonderful opportunity for you, our parents and carers, to see the same expertise in action and to understand what makes our school so special.

We hope you can join us for this informative and inspiring morning.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'P. Jordan'.
