Dear Parents/Carers,

Nursery Newsletter

We're nearly at the end of a wonderful school year, with just two weeks to go before we break up for the summer holidays.

We have been incredibly proud of our Nursery children this year. It has been a pleasure to watch them learn, grow, and develop in confidence as the year has progressed. They have all achieved so much, and we couldn't be prouder of their efforts.

It was lovely to spend such a special day with you all this week, and we hope the children thoroughly enjoyed our exciting trip to Greenwich Park. It was a fantastic opportunity to explore, play, and create some wonderful memories together.

Over the next couple of weeks, we will begin preparing the children for their next step. Most of our Nursery children will be joining us in Reception, and we will gradually introduce them to the Reception classrooms and playground so they become familiar and confident in their new environment.

For families whose children will be continuing at Thames View Infants, you will receive a letter on the last day of term confirming your child's class and their teacher for the new academic year.

To those families who will be moving on to new schools, we wish you every success and happiness for the future. We are confident that your children will continue to flourish, embrace new opportunities, and enjoy the exciting journey ahead.

The final two weeks of term will be full of learning, fun, and some very exciting events. Please find below a summary of what you can look forward to before the end of the school year.

Graded Outstanding Again!

PARENT MEETINGS – Next Week

If you haven't already done so, please book a Parent Meeting with either Sheila or Sam for next week. This is a valuable opportunity to celebrate your child's achievements and discuss the wonderful progress they have made during their time in Nursery, as well as their readiness for the next stage of their learning journey.

SPORTS DAY – Thursday 9th July

Our annual Nursery Sports Day will take place on **Thursday 9th July**.

Please come into school with your child at **8:45am** (morning and full-time families) / **2pm** (afternoon families) to cheer them on as they take part in a range of fun sporting activities. We're looking forward to a fantastic morning and hope to see lots of families there supporting the

children!

LAST DAY OF TERM – Thursday 16th July

The last day of term for all Nursery children will be **Thursday 16th July**.

To celebrate a fantastic year, the children are invited to come to school in **non-uniform** for the class party.

We would be very grateful if each child could bring in a small party snack to share with their friends. If you are sending in any homemade food, please clearly label all ingredients so that we can safely manage any allergies. **Please do not send in any items containing nuts.**

At the end of the day, you will receive a letter confirming your child's class and teacher for next year. The letter will also include important information about the Reception transition, including settling-in arrangements, your child's start date, details of their first day, and the time of our **Welcome to Reception** meeting, which you will need to attend – please note that some of these dates and times will vary from child to child so please don't rely on another parents letter for this information – your letter will be personalised for your child!

THAMES VIEW SUMMER FAYRE – Friday 17th July

Although our Nursery children will have finished for the summer, all Nursery families are warmly invited to join us at the **Thames View Summer Fayre** on **Friday 17th July**, from **1:30pm** on the school field.

There will be lots of fun for the whole family, including games and stalls, delicious snacks and ice creams, and maybe even a few bouncy castles!

We'd love to see as many of you there as possible, so please save the date and come along to celebrate the end of another fantastic school year with us.

HOMEWORK FOR PARENTS!!!

 Over the summer we encourage you to take some time to watch our [Parent Support Video Playlist](#). This is a series of short, practical updates from our Headteacher at Thames View Infants, Paul Jordan, designed to support families with the everyday realities of school life.

The short videos cover a wide range of topics—from communication and routines to behaviour, wellbeing and child development—and each one offers clear, honest guidance that can make a real difference over time.

There are lots of important top-tips and advice for parents of children starting Reception in these videos and we'd really recommend taking the time to watch them.

And finally, for the children, we encourage you to make the most of the summer by creating special memories together. Spend as much time as you can outdoors, exploring, making things together, reading stories, playing games, and simply enjoying each other's company. These moments are often the ones they'll remember most.

We'd like to take this final opportunity to thank you for all of your support in making this a wonderful year for our Nursery children.

Yours sincerely,

Adam Dobson
Assistant Headteacher
